Dear Sir or Madam,

It is my honor to recommend Lisa Campbell to you and your origination. Lisa is an asset to the Deaf community, interpreters, and consumers of interpreting service. I had the pleasure of working for Lisa, as an independent contractor, with Accessible Communications for the Deaf (ACD) in Florida. Lisa's commitment to providing Deaf consumers with quality interpreting services to promote equal access was evident from the start.

During her time as ACD's owner and executive director, Lisa dedicated herself to ensuring that Deaf consumers had qualified interpreters. She would personally interview and screen interpreters before retaining them for an assignment. As a contract interpreter, I was confident that I would receive accurate and comprehensive details to my assignments and if needed Lisa would be available to me at a moment's notice.

Lisa's experience as an interpreter and businesswoman has afforded her the insight into nearly every aspect of the interpreting profession. While others in the business of subcontracting interpreting services followed a bottom-up approach to promote their profitability; Lisa remained steadfast that a top-down approach to staffing was crucial. This philosophy earned her the respect of Deaf and hearing consumer across Florida, and it gained her the loyalty of some of the most skilled interpreters in the state.

If you are in need of an excellent interpreter, a reliable hard-working staff member, a remarkable manager, or a knowledgeable consultant you can rest assured you have found the ideal candidate.

If you have any questions, please feel free to contact me.

Best regards,

*Rose M Coman*
